

Need Drilling, Blasting or Demolition Services?

Blast Quest is a proudly South African company with an infinite quest to deliver professional **Blasting, Drilling and Demolition** services to the exact specification and expectations to you, our client.

Our famous motto of “**That’s beautiful blasting!**” is not only a quote from one of our clients but also summarizes our clients’ satisfaction with our blasting and drilling services. This quote became our motto, describing the essence of our **commitment to safety, precision, our people and our environment.**

Blast Quest is 100% BBBEE compliant and our family and network of highly experienced and skilled people can deliver the following services:

Rock Breaking and Blasting to prepare **construction** sites;

- Rock Breaking and Blasting for **trenches, dams, swimming pools** and **foundations**;
- Blasting for **road cutting** and **tunnelling**;
- **Bulk** Blasting;

- Blasting of **mine overburden, overhangs** and **top-soil**;
- **Open Cast blast-hole** drilling and blasting;
- Secondary Rock Breaking and Blasting;
- **Precision Blasting** in environmentally sensitive or populated areas;
- **Non explosive** Rock Breaking and Demolition;
- Drilling of **blast holes**, providing our clients with **mobile drilling teams** and
- **Explosive or non-explosive blasting** and **mechanical demolition** of concrete and other man made structures.

Our specialist services are offered nationally to

- Mines & Quarries;
- Civil Construction Companies;

- Developers;
